Community Liaison (CL) Report**

TO: Janetta Coats

FROM: Jacob Stowell and Jason McKinney

SUBJECT: Baytown DRC

COUNTY: Harris

DATE: September 18, 2017

Due: Daily 4:00 pm

SUMMARY:

We set up a table at Baytown starting at 07:00 throughout the day with the plan to have a presence until close. It was very busy at the DRC today. As of 15:30 we had 68 families stop and obtain information; primarily on cleanup and mold.

QUESTIONS/COMMENTS

Stuart Burns, Chief of Staff for U.S. House of Representatives Congressman Brian Babin, 36th District of Texas, stopped by and obtained some flyers.

COMMUNITY CONCERNS

One family was charged \$1000 for private well testing; the first test came back and the company wanted to charge her another \$1000 to do it again. We gave her the private well and disinfecting of drink water information and we also directed her to talk to the public health department for testing.
